Thunder Elite Fastpitch's mission is to provide an opportunity for athletes from Northeast Ohio and Western Pennsylvania to compete at the highest level of traveling softball by providing them with the necessary skills and training programs that will enable them to perform to the best of their abilities both on and off of the field.

With sponsors that care and are willing to help with today's youth, we can continue to provide this for them. With your support, together we can be a positive influence in the lives of many of today's youth, with hopes that they will carry this unique experience throughout their lives.

All sponsors will be posted on our website and be listed on team banners that are displayed at all games in which we participate in. Thank you for the consideration in participating in this program.
